

Strategic Plan

2024–2026

Women’s Legal Service WA provides socio-legal assistance, education and advocacy to women around Western Australia, prioritising those who live with financial hardship and experience family, domestic and sexual violence.

Our work is driven by our values:

- **JUSTICE** We promote equitable access to justice
- **EQUALITY** We uphold gender equality and cultural diversity
- **INTEGRITY** We work with honesty, professionalism and dedication
- **LEADERSHIP** We drive law reform and lead public debate
- **RESPECT** We care for our clients and each other

We know outcomes will be better for women if they have access to specialist services that are gender-specific, person-centred, trauma informed and culturally secure. This flows into stronger families and communities.
